### STRUCTURAL STABILITY REPORT

This is to certify that I have visited and inspected the existing RCC school building at survey number:1276/P, Phoenix Bay (Middle Point) Port Blair, on 04<sup>th</sup> September, 2023, along with the principal of Ummat Public school, Port Blair.

RCC Building structure had been constructed as per the building plan sanctioned by Port Blair Municipal Council, Approval Number: 1359 with reference number: 65-1/PF/925/MC dated: 01/11/1995.

The Structural Stability of the building is good and safe.
