

FACILITIES OF OUR SCHOOL

Smart Class - Technology plays a vital role in the modern era. In order to incorporate technology as an integral part of teaching and learning, our school introduced 'Smart Class' for all the students to make them experience visual learning and grasp concepts quickly. They learn here interactively which helps them to retain information for longer period of time.

Computer Lab - Computer lab provides a collaborative environment where students can work and learn through modern educational methods and enhance their learning experiences. This fosters teamwork and provides them with hands-on learning opportunities.

Integrated Lab - To help students develop their scientific thinking skills, Integrated lab was introduced. It provides students with the opportunity to explore the natural world through a variety of hands-on activities through simple experiments.

Physical & Health Education - Physical education helps students to stay healthy and learn various sorts of physical activities that promote physical growth and personality development of a child. Regular physical exercises are conducted every day in the morning in Assembly to make them active throughout the day.

Library - The school library is an essential resource for students to enhance their learning experiences. It is a space where students can access a wide range of books, resources & other materials to support their academic pursuits. Our library has a diverse collection of books and caters to the interest of students from different age groups and academic levels. The peaceful & welcoming environment of the library encourages students to enjoy their reading.

Few of the books available in our library-

- 1) History of Andaman
- 2) Stories of Panchtantra
- 3) Encyclopedia
- 4) Manorama Year book
- 5) Autobiography- M.K.Gandhi
- 6) Novels- APJ Abdul Kalam, Mahadevi Verma, Harry Potter
- 7) Urdu books- Watan ke Laal...
- 8) Magazines- Dream 2047, CBSE-n-U, Young INTACH.....

Play Area - Our School's small play area for our tiny tots helps to boost the cognitive, physical, social, and emotional well-being of children . Here, they can play & learn safely under the supervision & guidance of their teachers . It channelizes their natural energy to balance & develop their motor skills & creativity .

UMMAT ALUMNI ASSOCIATION - The Ummat Alumni Association was formed in 2008. The membership of the Association is open to all old students who were students of the school for atleast 2 years.

Social Services - The school chalks out for each academic year an interactive social service programme which includes activities both inside and outside the campus.

ATAL Tinkering Lab - ATAL Tinkering Lab is established at our **Sr. Sec. School branch** (ummatpublicschool.com) at **Austinabad**, Port Blair, under the patronage of NITI Ayog on 27/01/2018. This lab helps the students to satisfy their brimming creativity by paving way to bring out the best in them under proper assistance.

School Magazine - The school magazine is published every year. It contains articles and arts contributed by students and the staff.

House System - The school has four houses viz. **Dr.A.P.J. Abdul Kalam** House (Red), **Sir Syed** House (Blue), **Moulana Azad** House (Green) & **Dr.Zakir Hussain** House(Yellow). These houses are made with an aim to develop a sense of belongingness, healthy team spirit among students. It also helps them to learn the pleasure of working for the team.

Prefectorial Council - To inculcate leadership qualities in students and make them responsible human beings, a Prefectorial Council is formed in the school. Their role is to identify and address the needs and concerns of the students. The prefectorial council consists of the following posts-

1	SPL	0
)		1

)		1
6	Language Minister	0
)		2
7	House Captains	0
)		4
8	Vice Captains	0
)		4

CCTV - CCTV surveillance is of great importance in schools .Installing it in schools can help to improve the overall security of the premises. CCTV cameras can be used to monitor the activities of students, staff, and visitors, and can help to deter any unruly activity. In order to ensure the safety of our students our school has the CCTV coverage of the full campus.

RTE Act - 25% seats are reserved for the children of Economically Weaker Section and Disadvantaged Group in accordance with RTE Act in our school.

Excursion - To promote 'Learning outside the Classroom' , the students are taken out for excursion/ educational trip every year to different educational, informative spots as per the requirement of the school curriculum with proper intimation and prior permission from the parents. It enhances their critical thinking skills and gives students a chance to think about a topic or theme from a different perspective.

Clubs – Various clubs of our school provide a unique opportunity to the students to connect with individuals who share same passions and ambitions. We have **Eco Club** , **Science Club** and **Math Club** which allows students to gain fresh perspectives about various ideas and skills. It helps children of various age groups to spend time with each other, learning and honing their talents, receive insights from their peers, seniors, club advisers, and teachers.
